The abovementioned subject refers.

In terms of Section 32 of the Western Cape Gambling and Racing Act, 196 (Act 4 of 1996) ("Act") read with other sections of the Act, licence applications, *inter alia* all new licence applications (employment licences excluded) including development applications, procurement applications of a 5% or more financial interest in a licensee (in terms of section 58) and applications for changes of circumstances/premises (in terms of section 41), must be advertised when filed with the Office of the Board.

In these adverts the public is encouraged to participate in the consideration of applications by submitting their comments and / or objections in writing. In terms of Regulation 8 of the Western Cape Gambling and Racing Regulations the public is informed that the applications will be open for inspection at the Office of the Board. For this reason it is imperative to file the application along with a copy thereof for public inspection. From the date of this letter all applications submitted must include a library copy, duly marked as such, for purposes of lying open for inspection.

Please be guided accordingly and we thank you for your co-operation herein.

Yours faithfully
